The “Leave The Scene Clean” Calendar Art Contest

All public, private and home-schooled students in Lee County are invited to create a full color drawing or painting showing what they have learned about conserving our resources and keeping our environment clean. The full-size color calendar features the winning artwork by Lee County students. Judges select a cover winner, 12 first place winners (one from each grade 1-12) and 36 honorable mention winners. Winners are recognized at a gala award ceremony held in the fall. The calendar, which is used as an educational tool, is distributed throughout the school system and during KLCB events. A blend of corporate support, educational content and children’s art makes this project one of the most fulfilling projects of KLCB’s mission. KLCB donates calendars to schools to serve as a source of funding for school environmental projects. *Schools keep 100% of all the money they raise to be used toward the projects.*
