EVENT DETAILS

Many Locations
 throughout Lee County
 April 22, 2017
 9:00 AM - 12:00 PM

The event is a call to action to create more sustainable communities by focusing volunteer efforts on activities that impact aesthetic community improvements and the environmental. Volunteers of all ages are welcome and any individual, family, school, group, place of worship, business or government entity can coordinate or participate in an average of 16 simultaneous projects around the area.
